

Homework Outline for P4

Homework will be set on a Monday via seesaw, answers should be written in your child's homework book which will remain at home, this way you will not need to print the worksheet. When written homework is completed, take a photograph and upload via seesaw.

Learning homework should be done every night, alongside reading, this includes-

- Times tables (later in term 1)
- Spellings

Spellings can be learnt through a range of strategies, both written and verbal, I have attached some ideas. I would love to see evidence of these strategies from photographs or videos.

Reading books and diaries should be brought into school daily, it is important children read each night.

Homework Timetable

Monday - Literacy worksheet, Reading, Spellings

Tuesday - Numeracy worksheet (or Mathematics), Reading, Spellings

Wednesday - Reading, Spellings, Times tables

Thursday - Reading, Spellings, Times tables

- The title for each night's homework will be the day and the date- underline with pencil and ruler
- If there are any problems, please ask Mr. Grimley. Do not spend too much time trying to complete something you don't fully understand
- Homework should take no longer than 30mins each night
