Assistive Technology:

Assistive Technology can help promote understanding and improve a pupil's confidence and independence.

Make use of the free Assistive Technology provided by EA and C2K available both in school and at home:

- Read & Write
- Microsoft Immersive Reader
- Clicker 8

Use the QR Code above to visit the Assistive Technology section of the EA Literacy Service homepage for more information.

Raising Awareness:

- Host a special assembly to raise awareness of Dyslexia during October
- Look online for free resources to complete in class or at home
- Have a conversation about how everyone has different strengths and abilities
- Share this infographic across your school community

"To inspire, support and challenge all our Children and Young People to be the best that they can be."
